The Oshkosh Community YMCA 20th Avenue location will be offering 3-4 year old preschool in the fall of 2011. Our preschool program provides innovative and creative learning experiences through reading and math readiness skills, art, music, and creative dramatic play. Children will also have the opportunity to engage in social interaction with other preschoolers while having fun and learning. The Preschool program also takes advantage of our great facility with swimming, ice skating, indoor soccer, Family Prime Time, and the outdoor playground. All classes are ongoing and follow the Oshkosh Area School District student calendar. Registrations are accepted throughout the school year and children can enter the program anytime after their third birthday.
