APPLY TODAY FOR 24/7 ACCESS

Available at the 20th Ave Oshkosh YMCA

Oshkosh Community YMCA Adult members, who are ages 19+, are welcome to apply for 24/7 access at the Front Desk of the 20th Ave Y.

24/7 ACCESS OSHKOSH YMCA 20TH AVE BRANCH

Finding an exercise schedule that suits you is the first step to beginning a healthier, more active lifestyle, and the Y is giving you the opportunity to achieve your goals on your time. We are now offering 24/7 access in Oshkosh to give you the convenience of working out on a schedule that fits your lifestyle. That means 7 days a week, and 365 days a year of unlimited access to the Wellness Center, Training Studio, large gym and indoor track. No matter your reason, we want to help you stay connected to what you love. No more excuses, because scheduling your workout just got easier!

How To Apply For 24/7 Access

Y members ages 19+ may apply for 24/7 Access at the 20th Ave Y Front Desk. This benefit is ONLY for approved members of the Oshkosh Community YMCA. Each member (Ages 19+) must have their own separate 24/7 access and must scan in separately. Individuals with a day pass, short-term memberships (under 6-months), YMCA Nationwide members, and or visiting guests are unable to apply for access. The Y will notify you if your 24/7 access is approved, and when your bar code will be activated. This process typically takes 1-3 business days. The cost is \$5/month per member and will be charged along with your monthly membership fee for bank draft members.

You must be an APPROVED Oshkosh Community YMCA member with an eligible membership to apply (short-term memberships, summer memberships, or Tennis and Pickleball Center only memberships DO NOT QUALIFY.)

Safety & Security

Our YMCA 24/7 access areas are protected by our advanced security video surveillance system. Note that this system does not provide staffing assistance for emergencies that might arise. As such, we highly recommend that you exercise with another 24/7 member when using our facility outside of staffed hours.

Emergency telephone, First Aid Kit and AED are located on the desk as you enter the Wellness Center. In case of emergency, dial 9-911.

For your safety, some parking lot lights will remain on after the Y closes. Please park in the lit area. Snow removal will not be completed until regular business hours, possibly later due to certain weather conditions. During inclement weather, you may access the facility after hours but at your own risk from the elements. Please note the Y will post closed hours for select holidays and inclement weather.

Members are not allowed behind the welcome/front desk or in any area labeled staff only. This is outlined in the 24/7 access waiver and agreement every member must sign to be granted access to 24/7.

To apply for access, you must sign a 24/7 access waiver and agree to abide by our policies and agree to the monthly membership 24/7 access fee of \$5 per member.

24/7 members are welcome to use the Y's Wellness Center, Training Studio, Large Gym / Track after hours. Please note, there will be no staff available to assist members during non-staffed hours.

Please visit oshkoshymca.org to view the current staffed building hours at the 20th Ave branch.

Honor Code

The Y has a strict 24/7 Access Honor Code based on the Y's core values of honesty, respect, caring and responsibility. These guidelines are in place for the safety and security of our members, and the protection of our property.

Guests will not be allowed 24/7 access. It is for Approved Oshkosh YMCA Adult Members only. If a member provides 24/7 access to a guest, they will lose their 24/7 access. Day Passes, Free Passes and Nationwide Members are not permitted.

If a Y member fails to abide by these policies, their 24/7 access, and potentially their membership, will be revoked with no refund given.

Facility Access

To utilize our 24/7 Access afterhours, download the Kisi app to your smartphone. This will allow access to the Wellness Center, Training Studio, large gym, and indoor track areas as long as your membership remains current. Should you not have a smart phone you may purchase a physical Kisi key fob for \$20 per fob.

Once approved for 24/7 Access, you will receive detailed instructions on the use of the Kisi App or Key Fobs. When entering and exiting the facility, please ensure the door closes behind you. Everyone must use their own app or fob to gain access. For the safety of our members, please do not hold the door for anyone. This is important as we track who is always in the building. Your Kisi app or fob may not be shared with others (including family), and members are not allowed to grant facility access to anyone else. Family members need to each enter the Y on their own using their own entry credentials. Violation of our policy will result in you permanently losing your 24-hour access to the YMCA and possible termination of your Oshkosh Community YMCA membership.

If a Y member fails to abide by these policies, their 24/7 access, and potentially their membership, will be revoked with no refund given.
