Automatic Bank Withdrawal is mandatory, unless you are receiving financial assistance for Child Care. Payments will be debited on the first business day of each month.

The Y uses an average school calendar to calculate fees. Fees are paid in 9 equal payments, September-May. There is no fee for the month of June. Credits will not be given for snow days, vacations, sick days, holidays, or program suspension.

The program will only run on days that the school is in operation and will follow the Oshkosh Area School District's academic calendar.
