

# Oshkosh Community YMCA Downtown Family Pool Schedule Monthly Calendar For May 2026

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<p><b>When the pool is CLOSED a YMCA aquatics program is occurring. We want to ensure a safe, fun experience to everyone during this busy time. During these times, POTENTIALLY ONLY the lazy river and half the family pool will be available for use. Please don't use big pool floats at this time.</b></p>			<p><b>The Lazy River Spray can be turned on during open swim if no activities are occurring. Ask a guard if you are interested.</b></p>		<p><b>1</b> 5a - 8:30p Open</p>	<p><b>2</b> 8a - 9a WATER FIT 9a - 12:15p 1/2 Open 12:15p - 4:30p Open</p>

### Water Fitness Class Descriptions

Water Fit - Taught by ALL instructors.	ForeverWell - Taught by Jen	AiChi - Taught by Nancy	Aqua Zumba - Taught by Rachel
Water Fit is the best workout you'll ever have! Come play in the pool with us!	ForeverWell is a senior oriented class designed to be less strenuous. Focus is more on toning, stretching, and flexibility. Participants also enjoy a social and recreational component.	Combining elements of tai chi, quigon, Shiatsu and Watsu techniques in the natural buoyancy of water. Ai Chi involves slow, broad movements with deep breaths.	Physical conditioning through Latin dance inspired movements. This is a medium impact workout in shallow water. Great for beginners and intermediate exercisers.
ForeverWell Arthritis Aquatics - Taught by Sue, Kate & Shelby	Aqua Dance - Taught by Kate		Deep Water Fit - Taught by Jen & Betty
This class offers water exercises that are recommended by the Arthritis Foundation for joint movement and maintaining strength.	A combination of Zumba inspired movments, jogging, and "fitness challenges" to get your heart rate up and keep the impact on your joints down.		Deep Water Fit is held in the deep end of the lap pool. No impact on your joints but a great workout for strength and core building.
Aqua HIIT - Taught by Mel	Strength & Stretch - Taught by Sue & Kate		Power Current - Taught by Megan, Gus, & Mel
We're bringing HIIT to the water! High-intensity interval training (HIIT) is alternating short intense excersize with brief rest. Being in the water will take the stress away from your joints but add resistance!	Strength & Stretch uses resistance apparatus, water fitness dumbbells, noodles, and kick boards you will build strength and balance while stretching major muscles and joints.		Looking for something more fast paced? This walk/run/jog class takes the stress of running away from your joints by moving though the water.

**PLEASE REMEMBER. Due to instructor availability a different instructor may cover different water fitness classes and may teach their prefered class. Check the Oshkosh YMCA APP for the most accurate information on who's teaching where!**
